

## Oregon Walk-in Bath

Offering a little extra depth and width, the Oregon is perfect for when you want to enjoy a good deep soak. The curved seat is angled for comfort and with a slip-resistant surface, you'll always feel safe and secure.

Entering the Oregon is easy, just a small step and you're inside. The door seals with a neat internal mechanism, keeping the external lines of the bath clean and simple.

### Key Features

- Low-level access enabling easy entrance and exit
- Classic simple styling combined with comfort
- Inward opening door side access with concealed dual lock chrome door lever
- BioCote antimicrobial protection built into every bath ensures hygiene and durability are paramount
